

THRILLERS & SUSPENSE

ORIGIN

by Diana Abu-Jaber (F ABUJA)

New York-based fingerprint expert Lena investigates a series of crib deaths that may actually be the work of a serial killer. Orphaned as a child and gifted with delicate powers of intuition, Lena finds herself playing a critical role in the case even as her secure world begins to unravel.

THE BONE CHAMBER

by Robin Burcell (F BURCE)

Forensic artist Sydney Fitzpatrick is working the case of a murdered young woman when her friend is killed by a hit-and-run driver. Sydney is suddenly taken off her case, and, left to her own devices, begins an investigation that involves a long lost Templar treasure, a secret map, and a ruthless killer.

THE COLOR OF LAW

by Mark Gimenez (F GIMEN)

A partner at an elite Dallas law firm, Scott Fenney is forced to choose between his conscience and his wealthy, privileged lifestyle when he assigned to defend pro bono Shawanda Jones, a heroin-addicted prostitute. She is accused of murdering Clark McCall, the ne-er-do-well son of a millionaire Texas senator and presidential candidate.

THE BOOK OF AIR AND SHADOWS

by Michael Gruber (F GRUBE)

Desperately typing out the details of a case that puts him at the center of a deadly conspiracy, intellectual property lawyer Jake Mishkin recounts how a bookstore fire led to the discovery of the whereabouts of one of the most valuable historical items in the world.

DARLING JIM

by Christian Moerk (F MOERK)

When two sisters and their aunt are found dead in their suburban Dublin home, it seems that the secret behind their untimely demise will never be known. But then Niall, a young mailman, finds a mysterious diary in the post office's dead-letter bin. From beyond the grave, Fiona Walsh shares the most tragic love story Niall has ever heard.

THE FIRST PATIENT

by Michael Palmer (F PALME)

Gabe Singleton agrees to serve as the personal physician of Andrew Stoddard, his former Annapolis roommate and current president of the United States, and he discovers that Stoddard is going insane and that the condition may not be the result of natural causes.
